THE MODERATOR'S MESSAGE

A new commandment I give to you, that you love one another; even as I have loved you, that you also love one another. John 13:34 (RSV)

As we approach the end of the second millennium since Our Lord and Savior gave us this new commandment, it appears to me that we have been extremely reluctant to obey this commandment. For the first two millennia, we have spent more time fighting with one another than we have in loving one another. It is disturbing that we who profess to be disciples of the Prince of Peace have had such little success in implementing His commandments.

In this century there have been tremendous changes in every field of human endeavor. More has been discovered in the last 100 years than in the previous 1900 years. At that rate of change, we could make the earth an Eden or an uninhabitable desert long before the end of the next millennium; who knows where we could be in another thousand years. We have been given the power to correct many of the evils and problems of the world. We have also been given the power to destroy the world. It seems to me that the choice between these two options for the next thousand years may well depend on how well we respond to the commandment to love one another.

We invite you all to start the new millennium with us in Green Bay at the 46th Annual Meeting of our Association, June 24-27, 2000. Perhaps we can demonstrate how much can be accomplished as we fellowship in love with one another.

See you in Green Bay!
Anne Kuester

THE EXECUTIVE SECRETARY'S MESSAGE

“Love one another:” it sounds so simple yet we do it so poorly. On face value, those three words are all we really need to hear in order to completely revolutionize the way the world functions.

The tragedy is that many people and organizations, including Christian Churches and fellowships, put huge conditions on those words. Even in Associations of Christian people, such as our own Association, some restrict their love to those of a similar viewpoint.

When we read on in verse 34 of John 13, we really find the reason for this love. Jesus says, “as I have loved you.” Now, friends, there is a challenge, in fact, it is THE challenge. No where does Jesus say, I will love you “if.” No where do we ever read, love one another under the following conditions. The exciting and the really hard part is we are told to love as we have been loved.

We worry about our world. Many of us are concerned about the lack of commitment within our Christian faith and the complacency with many who call themselves, Congregational Christians. We hire consultants, conduct seminars, issue challenges and produce goals. We try restructuring and challenge Churches to give, give, and give.

In reality, the solution is right there in those three words, “Love One Another.” What could be greater than having that as the theme for each of our lives as we begin a new millennium? What a wonderful concept to teach, preach and model within the ranks of our National Association of Congregational Churches.

What a great theme for an Annual Meeting, where we can begin the task of practicing the very ideas that our Lord taught.

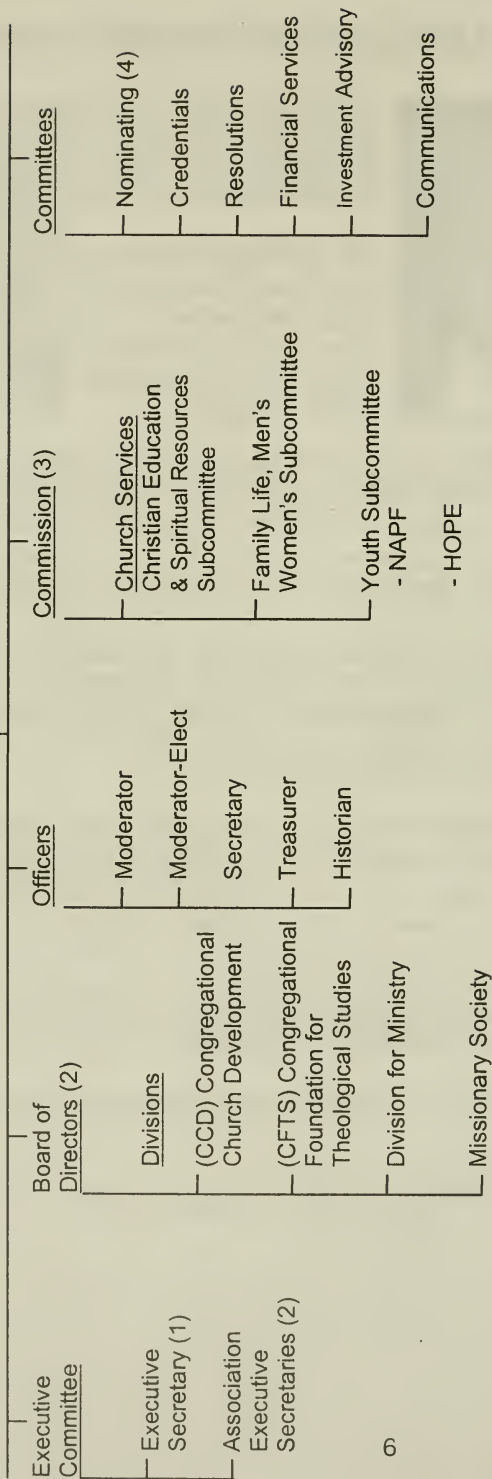

Have an unsettling and challenging year seeking to live Jesus’ way.

Douglas L. Lobb

BUILDING AND LOAN TEAM

The Building and Loan Fund was originally incorporated in April, 1959 (without stock and not for profit). In March, 1962, the incorporated Fund was dissolved and its assets were transferred to the Corporation for the Association.

Its purpose is to promote, encourage, assist, and - in any manner - aid the establishment, building, remodeling, maintenance, repair, location and/or relocation of Congregational Christian Churches which are members of the Association. It seeks and encourages contributions so that it may extend assistance to an increasing number of Churches.

CONGREGATIONAL CHURCH DEVELOPMENT (A Division)

A statement of purpose for the Congregational Church Development Division appears in the Bylaws of the Corporation for the National Association as follows:

"To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey, including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose."

The Division has the power to accept, accumulate, and expend funds designated for the above purposes, all funds being held in the name of the Corporation for the Association. In 1999, The Division established a goal of sponsoring at least one viable new church plant per year. It elects its own officers and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It also is involved in the promotion and administration of the Ten Dollar Plus Club.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES (A Division)

The Congregational Foundation for Theological Studies was established in 1961 as a response to the concern many people were expressing for where the churches were to find ministers whose commitment, training and preparation fitted them uniquely for service to these churches of the Congregational Way.

It represents an unusual approach to theological education designed to serve the special requirements of our diverse Congregational fellowship in which no single theological or social viewpoint can represent all of the churches.

CFTS is, as the name denotes, a Foundation which provides financial aid in the form of grants and scholarships and thereby places a fine theological education within the reach of all potential Congregational ministers. It also seeks to enrich each student's program academically by providing a directed study in Congregational History and Polity and by providing annual seminars on topics related to ministry in the Congregational churches. To provide experience in the practice of ministry, each student is required to serve an internship in an approved NACCC teaching church. By giving equal emphasis to the financial, the academic and the practical portions of the program, the Congregational Foundation for Theological Studies provides unusually fine preparation for ministry in Congregational churches of our Association.

To continue its mission and to assure the future of the Congregational ministry, the Foundation depends on the member churches of the Association to:

Provide regular financial support;

Identify talented and committed men and women, and to challenge them to give serious consideration to the Congregational ministry as a vocation;

Provide practical work experiences in Congregational churches for CFTS interns.

DIVISION FOR MINISTRY

The chief concern of this Division is for the Congregational ministry in its variety of forms. Through the office of the Staff Secretary for Pastoral Relations, support and aid are offered search committees as they seek ministers for churches of the Association, and consultation is offered to churches and ministers seeking to resolve problems and conflicts. The Office of Pastoral Relations also maintains current files of records and profiles for each Association member church, and credentials and professional dossiers for ministers. In addition, the Division for Ministry acts as the agent for the Congregational churches for the endorsement of military, Veterans Administration, hospital and prison chaplains.

The Division also administers several special funds:

The Ministerial Assistance/Enrichment Fund provides emergency financial assistance to ministers, both active and retired. Also, financial support is offered for a variety of continuing education opportunities. With resources of this fund, the Ministers' Convocation is planned and presented by the Division Board.

The Retired Ministers' Fund was established by the Rev. Dr. Max Strang, a long-time Congregational minister, and Mr. Fred Hoerner, a Congregational layman, to recognize the value of the service rendered by retired Congregational ministers and their spouses. This fund has been supported generously by the churches of the Association and now provides an annual stipend to all retired ministers who have served NACCC churches.

The Winthrop Administration Fund was established in 1987 by the Division Board to provide for the cost of administering the programs and services of the Division. At this time the Winthrop Fund endowment is inadequate to cover administrative costs. Donations to this very important fund are greatly appreciated.

MISSIONARY SOCIETY (A Division)

The mandate for missions comes first from Scripture, which says "Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit..." (Matthew 28:19-20). The tradition of Congregational churches' involvement in Christian missions began in the colonial period and is as long and faithful as any in American history. Your Missionary Society is working to build an even deeper commitment to this ministry of outreach in the churches of our Association.

The present Missionary Society was established in 1954, and in 1961 became a Division of the Corporation for the National Association of Congregational Christian Churches. The statement of purpose for the Missionary Society appears in the Bylaws of the Corporation, as follows:

"To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern: and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principle of the Congregational Christian Churches..."

Volunteer board members serve this Division and its worldwide concerns. Funds received are disbursed through the Treasury of the National Association of Congregational Christian Churches. Gifts are faithfully administered according to the wishes of the donors. Working in cooperation with its Executive Staff person, the Missionary Society monitors all selected projects so that individuals and churches in our Association may have confidence that their contributions are used with integrity and for purposes which are in valid support of Christian missions.

The Missionary Society strives to select projects that are distinctively Christian and distinctively Congregational. Currently, missionaries in nine countries are receiving our support. Aid is given to churches and other mission projects in the United States, some of which are cross-cultural in nature. Overall, this program of Christian missions is becoming more holistic, ministering to the needs of the whole person, including the spiritual, the physical, and the relational. All supported missions are under regular review and evaluation. The needs are genuine, and the projects are worthy of prayerful and generous support.

CHURCH SERVICES COMMISSION

The Church Services Commission provides and promotes services and programs to the local churches in the areas of Christian Education, Spiritual Resources, Men's, Women's, Youth, and Family issues. This Commission was formed by consolidating those functions previously held by the Commission on Christian Education, the Commission on Family Life in the Church, the Spiritual Resources Commission, the Women's Commission, and the Commission on Youth.

Organization

The 24 members are divided into three subcommittees; Christian Education and Spiritual Resources, Family Life including Men's and Women's programs, and Youth. These subcommittees meet to evaluate and plan programs and services to meet the needs of the member churches as determined by the Annual Meeting, the Executive Committee, or the Church Council. To improve communication and accountability, two members of each of the three subcommittees (six people total) will be elected to a Church Council. The terms to this Council shall be for two years with alternating seats changing each year. A member of the Executive Committee shall also be a member to the Church Council. This Council shall have the responsibility of determining priorities for action by the subcommittees and Ministry Teams, evaluate progress, and coordinate the efforts of the Commission necessary to meet the needs of the local churches.

CHURCH SERVICES COMMISSION (continued)

Ministry Teams

This Commission makes extensive use of volunteers who serve on Ministry Teams. A Ministry Team is defined as a group of three to five volunteers who have been assigned a specific function or creation of a specific program by one of the subcommittees within a specified period of time. They work under the direction of the subcommittees and are responsible to them for completion of the task. Examples of these tasks could include:

- Publication, (in conjunction with Communication Services)
- Advent and Lenten Devotions
- Bibliographies, Heritage Materials, Newsletters, etc.
- Retreats/Workshops - Youth Leader Retreat, Christian Education Workshops
- Local Resource Programs - Music, Guest Speakers, Training
- NAPF/HOPE Leadership Teams - Co-Directors and Officers

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by churches. Voting privileges are accorded only to delegates from the churches. If other provisions prevail, a brief descriptive sentence follows that name of the organization.

An "X" appearing before the group name indicates that updated information has not been received and that indicated data has been reprinted from the Yearbook issued in the previous year. Groups which have not responded in two years to requests for information continue to be listed. However, to avoid publication of out-dated information, official information is omitted. Groups are listed alphabetically by state or geographical area.

Ministers' Listing

In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The Association makes no representations as to the fitness or appropriateness of any minister or any member church by either compiling or maintaining this list.

ARTICLES OF ASSOCIATION
of the
National Association of Congregational Christian Churches
of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and,

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

This Preamble was written before the present concern for inclusive language. Because it is an historic document its wording has been left unchanged.

ARTICLE I. NAME

The name of this Association shall be the National Association of Congregational Christian Churches of the United States, hereinafter called the Association.

ARTICLE II. PURPOSE

The purposes of the Association shall be:

To provide a means by which Congregational Christian Churches of this nation may, without in any wise disturbing or altering their present associations and affiliations, consult and advise together as Churches upon matters of common concern to them, both temporal and spiritual;

To provide this closer fellowship and unity in all spiritual matters among Congregational Christian Churches;

To aid, in such ways as may from time to time be appropriate and proper, the continuance and growth of those Christian purposes and practices which have been the historic and accepted characteristics of Congregational Christian Churches.

In case of necessity to do and perform any and all functions ordinarily and customarily performed by Congregational Christian associations.

To promote, carry on and coordinate such cooperative activities among member Churches as to them from time to time may seem wise and expedient.

Upon application therefore by member Churches, to provide for them such assistance, whether financial or through advice and consultation or otherwise, as may be proper and expedient without violating the autonomy of member churches.

ARTICLE III. MEMBERSHIP

1. **Member Churches.** Membership in the Association shall be by Churches, which membership shall not be considered inconsistent with membership in any other Congregational Christian Association or conference. In all matters submitted to the Association for consideration, each active member Church shall have one vote.

- (a) For the purpose of this Article a Congregational Christian Church shall be defined as a body of Christians complete under God in spiritual authority and ecclesiastical power, regularly meeting and worshipping in one place, united by a mutually owned covenant, in fellowship with sister Congregational Christian Churches and recognized by the laws of the place of location as a duly constituted Church.

(b) A Congregational Christian Church may request membership in the Association by congregational action taken at any duly called and held meeting of such Church, which congregational action shall then be certified to the Secretary of the Association by the Church clerk or proper Church official. Upon verification, through the submission of its Constitution and Bylaws, that the Church applying is operating as a Congregational Church, and affirmative vote by the delegates in Annual Meeting, such Church shall become a member.

(c) There shall be two classes of member Churches: active and inactive.

(d) Membership may be withdrawn by any member church at any time by like action and certification, without impairment of any of its temporal or spiritual rights as a Congregational Christian Church.

(e) A Member church may be dropped from the rolls of the Association upon receipt of satisfactory evidence the church has disbanded. Such action shall be reported to the Association apart from the minutes of the Executive Committee at the Annual Meeting prior to the action being taken.

2. **Associate Member Churches.** Any Christian Church, in sympathy with the purposes and goals of this Association, and in accordance with the procedure of ARTICLE III. Section 1, above, may request an associate membership in the Association, without vote, but with representation on the floor at meetings.

3. **Affiliated Fellowship.** Fellowships of Churches in sympathy with the purposes and goals of this Association may request a mutually agreeable affiliation, without vote, but with voice, whether or not any or all of their individual member Churches are members of this Association. Such affiliation shall be in the spirit of fellowship and shall never be the basis for the exercise of ecclesiastical control by this Association or by the affiliate.

ARTICLE IV. OFFICERS AND COMMITTEES

1. **Officers.** The officers of the Association shall be as follows: Moderator, Moderator-Elect, Secretary, Treasurer, and Historian, and such other officers as may be named in the Bylaws. Each must be a member of a member Church.

(a) The **Moderator** shall serve for a term of one year and shall preside at all meetings of the Association. Men or women, either clergy or lay, shall be eligible to serve as Moderator.

(b) The **Moderator-Elect** shall be elected for a term of two years. The first year of that term, the Moderator-Elect shall serve as Moderator-Elect. The second year of the term, the Moderator-Elect shall succeed to the office of Moderator. In case of a vacancy in the office of Moderator, the Moderator-Elect shall immediately succeed to the office of Moderator.

(c) The **Secretary** shall be elected for a term of one year and shall keep a full and accurate record of the proceedings of the Association and of the Executive Committee. The Secretary shall keep a record of the membership and attendance and receive official communications, send notices and correspondence as directed by the Association or the Executive Committee.

(d) The **Treasurer** shall be elected for a term of one year and shall be the custodian of the funds of this Association. The Treasurer shall receive all contributions and disburse funds under the direction of the Executive Committee. Reports shall be submitted to the Executive Committee upon request and to the Association at each annual meeting. The Executive Committee shall require a sufficient bond to be posted by the Treasurer, and shall require that his books be annually audited.

(e) The **Historian** shall be elected for a term of one year. The Historian shall keep a written chronology of important historical events and accomplishments of the Association. Further, the Historian shall gather and preserve the materials of the archives.

(f) The officers shall be elected at each Annual Meeting.

2. **The Executive Committee.**

(a) There shall be an Executive Committee consisting of twelve members who shall be elected for a term of four years. Their terms of office shall be staggered from the time of the adoption of these Articles so that finally three shall be elected annually.

(1) The Executive Committee shall be elected from the membership of member Churches of the Association. It shall elect its own chairman.

(2) No person may serve a total of more than eight years on the Executive Committee. After the completion of a full four year term, no person may be re-elected without having been off the Executive Committee for at least one year.

(b) The Executive Committee shall meet on call of its chairman, or the secretary of the Association.

(c) The Executive Committee shall act for the Association between its meeting, but the Committee's action shall be subject to ratification and review by the Association. Minutes of the action of the Committee shall be kept and presented to the Association for ratification and review at the next regular meeting.

(d) The Executive Committee may appoint an Executive Secretary and Associate Executive Secretaries for the Association, whose term of office, remuneration, and duties shall be as agreed upon at the time of appointment; such appointment and agreements shall be subject to relevant provisions of the Bylaws and subject to the approval of the next regular meeting of the Association. An individual serving as Executive Secretary and/or Associate Executive Secretary may serve up to ten (10) years combined and shall not be eligible to serve thereafter.

3. Committees and Commissions.

(a) There shall be such commissions created by the National Association as are necessary for carrying out the purposes and activities of the National Association as stated in ARTICLE II.

(b) Members of other committees and commissions, and other officers shall be chosen either by the Association or by the Executive Committee acting **ad interim**.

4. No officer or appointee of the Association shall, by virtue of such office have any ecclesiastical authority or standing.

ARTICLE V. MEETINGS

Regular meetings of this Association shall be held annually, the exact time and place to be fixed by the Executive Committee unless otherwise ordered by the Association. Announcement of such meetings shall be made at least three months in advance.

Special meetings may be convened upon the call of the Executive Committee or when twenty or more member Churches have so requested; such meetings shall consider only that business stated in the call for the meeting, which call shall be made not less than thirty days prior to such meeting.

A quorum shall consist of the delegates present representing 20 percent of the Churches holding active membership in the Association, except as provided in ARTICLE IX hereafter.

ARTICLE VI. CORPORATION

There shall be a corporation for this Association, the purpose of which shall be to provide ways and means for the continuation, fostering, and advancement of the historic and accepted practices of Congregational Christian Churches, as these practices are stated and defined in the Articles of Association and Bylaws of this Association.

ARTICLE VII. BYLAWS

The Association may from time to time make, alter, amend or repeal Bylaws, consistent with, and to carry out but not augment, the purposes and functions set forth herein.

Bylaws may be adopted, altered, amended or repealed upon a two-thirds vote of the members present and voting, but no Bylaw may be altered, amended, or repealed on the same day the change is first proposed.

ARTICLE VIII. REFERENDUM COUNCIL

Since ecclesiastical power under God rests solely with the local Churches, the member Churches of this Association have, and shall retain among their other rights and powers, the right and power to review and modify any proposal or action by any agency or creature of the member Churches of the National Association when such proposal or action is deemed by the Churches to be in violation of the principles set forth in these Articles. The Churches also have, and shall retain among their other rights and powers, the right and power to initiate action which they deem wise and proper.

Such right and power to review, modify, or initiate may be exercised by means of a Referendum Council, which may be called by not less than ten percent of the member Churches.

The manner of calling and constituting a Referendum Council, the functioning of such a Referendum Council, and the method of voting on a question referred to the Churches by a Referendum Council, shall be governed by the relevant provisions of the Bylaws of this Association.

ARTICLE IX. AMENDMENT

At any duly called and held meeting of the Association, a quorum being present, these Articles of Association may be amended by a two-thirds vote of the member Churches represented at such meeting through their delegates. (1) notice of such proposed amendment or amendments having been given at a previous meeting, or (2) the proposed amendment or amendments having been requested by twenty or more member Churches. In either case, the full text of the proposed amendment or amendments shall be printed and distributed with the call to the meeting at which they are to be considered.

BYLAWS OF THE ASSOCIATION

II. MEMBERSHIP AND VOTING

1. Each Church which is an active member of the Association as provided in the Articles of Association, may be represented at meetings of the Association by a delegate chosen in such manner as each Church may for itself determine. Such delegate shall, nevertheless, be certified to the meeting by the proper officer of the Church represented. A person may represent more than one Church but not more than a total of three Churches as an Official Delegate, except that any minister of a yoked parish may represent all those Churches which the minister serves.

2. An active member Church is one which (a) sends a delegate to the Annual Meeting, or (b) makes a yearly statistical report for the Yearbook, or (c) makes a yearly financial contribution to the work of the Association. A Church which does not send a delegate, or make yearly statistical report, or a yearly financial contribution, is an inactive member Church. A Church which for two consecutive years, beginning at the close of the 1986 Annual Meeting, fails to send a delegate, make a report, or a contribution, shall be notified by the Executive Secretary of the Association that it has been placed on the list of inactive member Churches. AN inactive Church shall be automatically restored to active status by doing any or all the actions stated above.

3. Any member Church may designate one or more alternate delegates, in addition to the Official Delegate, such shall be certified in the same manner as the official delegate. Alternate Delegates may attend and take part in any business, but shall not be permitted to vote, except that one delegate may vote for the Church in the absence of the official delegate.

4. Any person whose Church is a member of the Association may attend any meeting as a visitor, without vote, to whom the Moderator may grant the privilege of the floor.

5. Any person whose Church is not a member of the Association who signifies interest in and sympathy with the purposes of this Association may attend any meeting as an Observer, without vote, to whom the Moderator may grant the privilege of the floor.

6. In all matters which come before the Association or a meeting thereof for action, each active member Church shall be entitled to one vote. All Official Delegates shall have equal privileges of debate and in making motions or otherwise bringing matters before a meeting.

(f) The Executive Committee shall serve as the business committee for the meetings of the Association. It may appoint other special committees to deal with phases of work not covered by other agencies as the need arises.

The Secretary of the Association at the request of the Chairman of the Executive Committee shall mail out to each member of the Executive Committee a ballot stating the proposition or propositions as proposed, and each member of the Executive Committee shall promptly return the ballot with each proposition marked "Yes" or "No", dated and signed. An affirmative vote shall consist of a two-thirds vote "Yes" by the members of the full Executive Committee, and a vote shall be counted when all ballots have been returned or thirty days after the Secretary of the Association mailed said ballots, whichever is first.

This procedure shall not be used in lieu of meetings, but may be used between meetings.

(i) The Executive Committee may take official action on any subject matter within its area of concern by a telephone conference, subject to the following procedures being adhered to:

(1) The Executive Committee Chairman, or any three members of the Executive Committee acting jointly, may request a telephone conference;

(2) Prior to such a conference, the proposer(s) shall provide to each member of the Executive Committee a written agenda, noting the time of the conference and listing the specific items to be discussed, with explanatory information relating to the subject matter attached, and no other matters may be discussed;

(m) The Executive Committee shall appoint a Search Committee to fill vacancies in the Executive and Associate Executive positions. No appointed Search Committee shall have more than one-third of its members simultaneously serving on the Executive Committee at the time of appointment.

(n) The Executive Committee may appoint an interim Executive Secretary and/or an interim Associate Executive Secretary for a period not to exceed twelve (12) months. No person serving as an interim executive shall be eligible for consideration for appointment to a vacant executive position.

2. Committee on Credentials. A Committee on Credentials shall consist of three members, one of whom shall be elected at each regular meeting, to serve from the adjournment of the meeting at which they are elected for a period of three years. No member shall serve more than three years in succession. The Committee shall certify the existence of a quorum and shall prepare a final report to be presented before the conclusion of the Annual Meeting showing the roll of member Churches of the Association represented at the meeting with the names of their Official Delegates and Alternate Delegates (if any) as determined by the presentation of credentials from the electing Churches. This roll shall be made available to all delegates by posting or duplicating or both.

3. Nominating Committee; Nominations and Elections.

(a) A Nominating Committee shall consist of six members, three of whom shall be elected at each regular meeting after nominations from the floor, to serve from the adjournment of the meeting at which they are elected until the adjournment of the second Annual Meeting following the meeting at which they are elected, to present a complete slate of officers and the required number of persons for a full Executive Committee and Credentials Committee to be voted upon at each Annual Meeting during which they shall serve. Members of the Nominating Committee shall be members of member Churches.

(b) The Committee's nominations shall be transmitted to the Association Secretary who shall transmit such list of nominees to all member Churches at least thirty days prior to such regular meeting. In addition to any nominations so made, in every case nominations for any elective office may be made from the floor of the meeting.

The Moderator shall in every instance call for such nominations from the floor. In cases where there is no contest the nominees may be elected by voice vote. If there is a contest, the vote shall be by written ballot the following day.

(c) Nominations for members of the Nominating Committee shall be complete on the day preceding the vote upon their election which shall be by written ballot, except that in case there are only the required number of nominees they may be elected by a voice vote on the day of nomination. A plurality shall be considered sufficient to elect.

(d) Any person accepting nomination and election to the Association Nominating Committee, shall, by that acceptance, be ineligible, while serving on the Committee, for nomination to any Association office for which the Committee makes nominations.

Any person serving on any other Committee, Commission or Division of the Association shall be ineligible for nomination and election to concurrent service on the Association Nominating Committee.

4. Committee on Resolutions. At each Annual Meeting, a Resolutions Committee consisting of three persons present from the member Churches shall be elected from the floor to serve until the close of that Annual Meeting. A plurality shall be considered sufficient to elect.

A. Resolutions Procedure.

1. The Resolutions Committee may initiate and propose resolutions only in reference to expressions of appreciation for hospitality and for appreciation of service to the National Association.

2. All other resolutions, except those matters which are properly considered as proposals for action made by the duly constituted boards, commissions, and committees of the National Association, shall be proposed as follows:

(a) Only a member church can offer a resolution, and must certify by the Clerk or Secretary of the Church that such resolution was duly approved congregational action of said Church.

(b) Such proposed resolution must be germane to the purposes of the National Association as expressed in Article II, Purpose, of the Articles of Association of the Association.

(c) A copy of such proposed resolution must have been sent to the office of the Executive Secretary at least sixty days prior to the convening date of the Annual Meeting.

(d) No less than forty-five days prior to the convening date of the Annual Meeting, the Executive Secretary shall mail to each member Church a copy of all resolutions proposed under 2(a) above, showing the name of the proponent member, in order that each member Church will have the opportunity to take congregational action on such proposed resolution so that its delegate may be informed as to what position the member Church wants to take on the same. Copies shall also be given to the elected Resolutions Committee.

(e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. In the event that the Resolutions Committee reports unfavorably as to any proposed resolution, such resolution can then be brought before the Annual Meeting for action only by the delegate, or official alternate, of the member Church proposing such resolution.

(f) Any resolution that is adopted shall in no sense bind the member churches.

5. Communication Services Committee: The Executive Committee shall appoint a Communication Services Committee with direct responsibility to the Executive Committee and consisting of seven (7) members. The terms of office shall be one year with the option to be reappointed. Persons may be reappointed for up to five (5) terms. After service on the committee a person may not serve again until a period of one year has expired. In the initial year, three (3) members shall be appointed for a maximum of four (4) terms and two members for a maximum of three (3) terms. No member shall serve on any other board, commission or division while a member of the Communication Services Committee or be any other officer of the Association.

6. A Commission. A commission shall consist of a body of persons charged with the responsibility of carrying out one or more purposes and/or activities of this Association.

(a) A Commission shall be charged by the Annual Meeting creating it with a statement of its purposes, powers, time changed by the action of an Annual Meeting. All existing commissions shall continue to operate under their present charges or rules.

(b) A Commission shall have authority to conduct its own business within its charge from the Annual Meeting, or its existing rules, provided its actions are germane to the purposes of this Association as stated in Article II of the Articles of Association, and subject to Article IV, 2(c) of the Articles of Association.

(c) A Commission must work within the framework of the budget approved by the Annual Meeting, or as subsequently revised by the Executive Committee.

(d) A Commission shall consist of not less than five nor more than thirty-six (36) members for the year concluding with the close of the 1998 Annual Meeting and twenty four (24) members thereafter, the number to be subject to the Annual Meeting. Not more than two members of a Commission may be members of nonmember Churches.

(e) The Commission members shall be nominated by the Executive Committee, and after opportunity for nominations from the floor, shall be elected by the Annual Meeting, consent to serve to be obtained from nominees in advance of nominations. In cases where there is no contest the elections may be by voice vote. If there is a contest the vote shall be by written ballot the following day.

(f) The Commission members shall have four-year terms, and terms shall be staggered so that approximately one-fourth of the terms expire each year. A member may serve a maximum of two (2) four-year terms but not consecutively. All terms shall begin at the close of the Annual Meeting.

(g) Any Commission can be abolished by a majority vote of an Annual Meeting.

V. STATISTICS

A list of member Churches in this Association shall be prepared annually by the Secretary and sent to the member Churches. This list shall, so far as possible, give correct addresses of the pastors and clerks of the Churches so listed, together with such other information as shall be deemed wise in the judgment of the Executive Committee.

VI. FINANCE

1. Financial Services Committee. The Executive Committee shall appoint a Financial Services Committee with direct responsibility to the Executive Committee and consisting of seven members plus the Treasurer and the Chairman of the Executive Committee Budget Subcommittee who shall be voting members ex officio. The terms of office for the seven members shall be one year with the option to be re-appointed. No member shall serve on any other board, committee, commission or division of the Association while a member of the Financial Services Committee or be any other officer of the Association.

The Financial Services Committee shall have the responsibility for fund raising; long-range planning including the identification of financial needs; budget assistance to committees, commissions and divisions; and other financial services to the association in the area of Building and Loan, insurance, benefits, financial advisors, and the delivery of financial services for the churches. The Building and Loan Function shall be subject to the following rules of operation.

- a. To grant loans to churches which are members of or affiliated with the National Association of Congregational Christian Churches of the United States upon such terms and condition, with or without security, as it may deem advisable.
- b. To accept gifts, and to accumulate funds and properties with which to carry out the above purposes, such assets to be held in the name of the corporation for the National Association.

2. The expenses of the Association shall be met from voluntary contributions solicited from the Congregational Christian Churches in response to recommendations from the Executive Committee, and also from such receipts as may come to the Association in its meetings or through special gifts and legacies.

3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association.

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. No more than four members of a Referendum council

may be clergy. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The Secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. This record is merely a list of pastors and ministers of the member churches of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee. The Association makes no representations as to the fitness or appropriateness of any minister or any member church.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purpose of the National Association as stated in the Article II of the Articles of Association.

(a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.

(b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a large body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY

Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).

This division shall have the following powers and authority:

(a) To conduct its business and affairs in the name and style "Missionary Society of the Congregational Christian Churches", and to elect its own officers except that the Treasurer of the Corporation shall serve as the Treasurer of this division.

(b) To serve as the missionary agent of the churches of the National Association and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by the vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the Congregational Christian Churches as stated and defined in the Articles of Association and Bylaws of the National Association of Congregational Christian Churches of the United States.

(c) All funds and properties shall be held in the name of the Corporation for the National Association.

(d) This division shall report at least semi-annually to the Board Directors.

Section 2.

There shall be a division of this Corporation known as the Congregational Foundation for Theological Studies. It shall consist of not less than seven and not more than twelve members, appointed by the Board of Directors for four-year terms in such manner that the terms of approximately one-fourth of the members shall expire annually. Members may serve a maximum of two (2) four-year terms. An additional member shall be a member of the Board of Directors and shall be appointed by the Board of Directors annually for a one-year term. All terms shall begin at the close of the Annual Meeting.

This division shall have the following powers and authority:

(a) To conduct its business and affairs in the name and style "Congregational Foundation for Theological Studies" and to elect its own officers, except that the Treasurer of the Corporation shall serve as the Treasurer of this Division.

(b) To serve as the agency of the N.A.C.C.C. of the U.S. for providing a program of training and education for ministers and religious workers; to provide graduate programs leading to the Bachelor of Divinity and Masters' degrees; to provide refresher courses, seminars, conference, and homestudy courses for potential ministers, ministers, and lay-ministers; to develop a program whereby men and women may be encouraged to consider the ministry and other types of religious work as a vocation. In advising and directing students and in planning programs for graduate degrees, the Foundation will emphasize and assist in choosing courses of study which are adapted to the needs, capacities and objectives of each student, in pursuing which the students may take courses and in- service training in different schools, colleges, and universities and with leaders of Congregational churches in varied localities for varied periods of time, rather than provide a theological school in a specific geographical location.

(c) To accept gifts, and to accumulate funds and properties with which to carry out the above purposes, such assets to be held in the name of the Corporation for the National Association.

(d) To expend such funds for the above purposes, including the granting of scholarships and fellowships to students participating in programs sponsored by this division.

(e) This division shall report at least semi-annually to the Board of Directors.

Section 3.

There shall be a division of the Corporation known as the Congregational Church Development Division. It shall consist of eight (8) members appointed by the Board of Directors for four-year terms in such manner that the terms of approximately one-fourth of the members shall expire annually. Members shall serve a maximum of two (2) four-year terms. An additional member shall be a member of the Board of Directors and shall be appointed by the Board of Directors annually for a one-year term. All terms shall begin at the close of the Annual Meeting.

This Division shall have the following powers and authority:

(a) To conduct its business and affairs in the name and style "Congregational Church Development Division" and to elect its own officers except that the Treasurer of the Corporation shall serve as the Treasurer of this Division.

(b) To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey; including response to inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose.

(c) To accept gifts, and to accumulate and expend funds designated for the above purposes, according to the expressed wishes of the donors, or in the absence of such designation, by vote of the Division. All funds and properties shall be held in the name of the Corporation for the National Association.

(d) This Division shall report at least semi-annually to the Board of Directors.

Section 4.

There shall be a division of the Corporation known as the Division for Ministry. It shall consist of not less than seven and not more than twelve members, appointed by the Board of Directors for four-year terms in such manner that the terms of approximately one-fourth of the members shall expire annually. Members may serve a maximum of two (2) four-year terms. An additional member shall be a member of the Board of the Directors and shall be appointed by the Board of Directors annually for a one-year term. All terms shall begin at the close of the Annual Meeting.

The basic responsibility of the Division is the nurture of the Christian ministry in the churches of the National Association. This division shall have the following powers and authority:

(a) To conduct its business and affairs in the name and style "Division for Ministry," and to elect its own officers, except that the Treasurer of the Corporation shall serve as Treasurer of this Division.

(b) To serve as the agency of the Congregational Christian Churches for providing programs to assist, support and encourage professional and lay leadership of our churches; to prudently supervise the stewardship of funds under the jurisdiction of the division; to address needs and provide guidance in matters of ministry with the pastoral relations Secretary; and to maintain and encourage the goal of academic excellence and depth of commitment to free church polity and faith as the hallmark of the Congregational Christian Ministry.

(c) To accept gifts, and to accumulate funds and properties with which to carry out the above purposes, such assets to be held in the name of the Corporation for the National Association.

(d) To expend such funds for the above purposes, including ministerial assistance, grants and loans as needed within available financial resources to ministers participating in programs sponsored by this division.

(e) This division shall report at least semi-annually to the Board of Directors.

ARTICLE V Miscellaneous

Section 1 - Gifts, Contributions and Bequests.

Before becoming the property of the corporation, each gift, bequest, devise, grant or contribution must be accepted by the Board.

Section 2 - Investments.

The Funds and property of the corporation, unless specifically otherwise provided by a deed, gift, bequest, devise, grant or contribution, may be invested in real estate, both improved and unimproved, in tangible or intangible personal property and/or in securities of one or more types as may be authorized by the Board of Directors from time to time, without regard to the restrictions of the statutes regulating the investment of funds by trustees, fiduciaries or insurance companies.

Section 3 - Fiscal Year.

The fiscal year shall begin on April 1 and end on March 31.

Section 4 - Corporate Seal.

The Corporation shall not have a corporate seal.

Section 5 - Informal Action.

Any action required or permitted to be taken at any meeting of Directors or members of a committee of Directors may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all Directors or members of a committee thereof entitled to vote with respect, to the subject matter thereof.

Section 6 - Amendments.

These Bylaws may be altered, amended or supplemented by the Board of Directors. Unless all Directors are present and consent thereto, no action shall be taken under this section unless notice thereof shall have been set forth in the notice or waiver of notice of the meeting.

ARTICLE VI
Indemnification

Section 1 - Mandatory Indemnification.

The Corporation shall identify a director or officer as follows:

(a) To the extent he or she has been successful on the merits or otherwise in the defense of a proceeding, for all reasonable expenses incurred in the proceeding, if the director or officer was a party because he or she is or was at the time of the events upon which the proceeding was based a director or officer of the Corporation or the Association. A director or officer shall exercise his or her right to indemnification under this Section 1 of Article VI by delivering a written demand for indemnification to the Corporation's Treasurer, or the Chairman if the party seeking indemnification is the Treasurer.

(b) In all cases not included in Section 1 of this Article VI, the Corporation shall indemnify a director or officer against liability incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is or was at the time of the events upon which the proceeding was based a director or officer of the Corporation or the Association, unless liability was incurred because the director or officer breached or failed to perform a duty he or she owes to the Corporation or the Association and the breach or the failure to perform constitutes:

- (i) A willful failure to deal fairly with the Corporation or the Association or its shareholders in connection with a matter in which the director or officer has a material conflict of interest;
- (ii) A violation of the criminal law, unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful;
- (iii) A transaction from which the director or officer derived an improper personal benefit; or
- (iv) Willful misconduct.

(c) Whether a director or officer of the Corporation or the Association shall be entitled to indemnification under Section 1(b) shall be determined in accordance with the procedures established in Section 2 of this Article VI.

(d) The termination of a proceeding by judgment, order, settlement, or conviction, or upon a plea of no contest or an equivalent plea, does not, by itself, create a presumption that indemnification of the director or officer is not required under this subsection.

Section 2 - Determination of Right to Indemnification.

A director or officer seeking indemnification under Section 1(b) of this Article VI shall first make a written request to the Corporation's Treasurer, or the Corporation's Chairman, if the person seeking indemnification is the Treasurer, for such indemnification. Determination of whether indemnification is required shall be made by one of the following means:

(a) By a majority vote of a quorum of the Board of Directors consisting of directors who are not at the time parties to the same or related proceedings. If such quorum of disinterested directors cannot be obtained, by a majority vote of a committee duly appointed by the Board of Directors and consisting solely of two (2) or more directors who are not at the time parties to the same or related proceedings. Directors who are parties to the same or related proceedings may participate in the designation of members of the committee.

(b) By independent legal counsel selected by a majority vote of a quorum of the Board of Directors or its committee consisting of directors who are not at the time parties to the same or related proceedings or, if such a quorum cannot be obtained, by a majority vote of the full Board of Directors, including directors who are parties to the same or related proceedings.

(c) By a panel of three (3) arbitrators consisting of one (1) arbitrator selected by those directors entitled under subsection (b) above to select independent legal counsel, one (1) arbitrator selected by the director or officer seeking indemnification and one (1) arbitrator selected by the other two (2) arbitrators.

(d) By a court of competent jurisdiction upon application by the director or officer for an initial determination of entitlement to indemnification or for review by the court of an adverse determination. Indemnification shall be ordered if the court determines that the director or officer is entitled to indemnification under Section 1 of this Article VI or that the director or officer is fairly and reasonable entitled to indemnification in view of all the relevant circumstances. If the director or officer is successful in obtaining indemnification by order of the court, in addition to indemnification against all other expenses and liability, the director or officer shall be reimbursed for expenses reasonably incurred in pursuing his or her request for indemnification.

The director or officer seeking indemnification shall designate in his or her request for indemnification the method of making the indemnification determination.

Section 3 - Advance of Expenses Incurred.

The Corporation shall, upon written request by the director or officer, pay for or reimburse the reasonable expenses incurred by a director or officer who is a party to a proceeding, as those expenses are incurred, if the director or officer furnishes the Corporation a written affirmation of his or her good faith belief that he or she has not breached his or her duties to the Corporation or the Association, and the director or officer furnished the Corporation with a written undertaking, executed personally or on his or her behalf, to repay the allowance to the extent that it is ultimately determined that the indemnification is not required. The Corporation may accept the undertaking without reference to his or her ability to repay the allowance, and the undertaking may be secured or unsecured.

Section 4 - Insurance.

The Corporation may purchase and maintain insurance on behalf of its directors and officers, or to reimburse itself, against liability asserted or incurred and expenses incurred by the director or officer or the Corporation or Association in connection with a proceeding brought against the director or officer in his or her capacity as a director or officer or arising from his status as a director or officer, regardless of whether the Corporation is required or authorized to indemnify the individual against the same liability pursuant to the provisions hereof.

Section 5 - Definitions.

The following terms used in this Article VI shall have the indicated meanings:

(a) "Association" shall mean the National Association of Congregational Christian Churches of the United States, a voluntary association formed under date of October 25, 1956, at Wauwatosa, Wisconsin.

(b) "Director" or "officer" means an individual who (i) is or was a director or officer of the Corporation or the Association; (ii) an individual who, while a director or officer of the Corporation or Association is or was serving at the Corporation's or the Association's request as a director, officer, partner, trustee, member of any governing or decision-making committee, employee or agent of another corporation, partnership, joint venture or other enterprise; (iii) while a director or officer of the Corporation or the Association, is or was serving an employee benefit plan because his or her duties to the Corporation or the Association also impose duties on, or otherwise involve services by, the person to the plan or to the participants in or beneficiaries of the plan; or (iv) is or was a "volunteer" of the Cooperation or Association, whether such volunteer was or is acting for or on behalf of the Corporation, the Association or any of its committees, commissions or divisions. "Director" or "officer" includes the estate, heirs, personal representatives, administrators, guardians and conservators of any deceased or former "director" or "officer."

(c) "Expenses" include all fees, costs, charges, attorneys' counsel fees and other expenses and disbursements incurred in connection with a proceeding.

(d) "Liability" includes the obligation to pay a judgment, settlement, penalty, fine, assessment or forfeiture, including an excise tax assessed with respect to or on an employee benefit plan, and reasonable expenses.

(e) "Party" includes an individual who was or is, or who is threatened to be made, or is at risk of becoming, a named defendant in a proceeding.

(f) "Proceeding" means any threatened, pending or completed action, suit, claim, litigation, appeal, attribution or other proceeding, whether civil, criminal, administrative or investigative, formal or informal, predicted on foreign, federal, state or local law, brought by or in the right of the Corporation or the Association or by any other person or by any governmental or administrative body.

(g) "Volunteer" as used in Section 1(b)(iv) shall mean a natural person, other than an employee of the Corporation or the Association, who provides services to or on behalf of the Corporation or Association without compensation.

Section 6 - Savings Clause.

To the extent any court of competent jurisdiction shall determine that the indemnification provided under this Article VI shall be invalid as applies to a particular claim, issue or matter, the provision hereof shall be deemed amended to allow and require indemnification to the maximum extent permitted by law.

Section 7 - Effective Date.

This Article VI shall be deemed to be a contract between the Corporation and each previous, current or future director or officer. The provisions of this Article VI shall apply to all proceedings commenced after the date hereof, whether arising from any action taken or failure to act before or after such adoption. No amendment, modification or repeal of this Article VI shall diminish the rights provided hereby or diminish the right to indemnification with respect to any claim, issue or matter in any then pending or subsequent proceeding that is based in any material respect on any alleged action or failure to act prior to such amendment, modification or repeal.

Section 8 - Nonexclusivity.

The rights of a director or officer or any other person granted under this Article VI shall not be deemed exclusive of any other rights to indemnification against Liabilities or allowance of Expenses which the director or officer (or such other person) may otherwise be entitled to under any written agreement, Board resolution, or otherwise, including, without limitation, under Wisconsin law. Nothing in this Article VI shall be deemed or construed to in any way limit the Corporation's obligations to indemnify against Liabilities or allow Expenses to a director or officer under Wisconsin law.
